Databases: (available at: <http://library.jwu.edu/research/databases/az.htm>)

To access outside of library, select the link for the desired database. Then, enter your name and library identification # (located on your J&WU identification card, just below the barcode).

Academic Search Premier - Scholarly, multi-discipline database providing full text journal coverage for nearly all academic areas of study.

* Available only in databases

Johnson and Wales University
Charlotte Campus Library 2006

Business and Company Resource Center - Company profiles include (where available) company histories, chronologies, rankings, financials, investment reports, products and brands, suits and claims, industry overviews, plus links to business news articles. Search for detailed company and industry news and information.

Business Source Premier- Selective full-text articles for 2,800 international and scholarly business journals covering such fields as management, economics, finance, and accounting. This database also includes **Datamonitor's** 10,000 company profiles in PDF report format.

Hoover's - company profiles, corporate histories, executives, financials and news for 16 million U.S. and international companies. Also includes information about competitive landscape and industry benchmarks.

Hospitality & Tourism Index- International coverage dating back to the 1960's relating to all areas of hospitality, travel, and tourism.

Lexis Nexis Academic - A news, law, and business information service with full-text access to nearly 6,000 newspapers, periodicals, and reference sources. This database includes access to law reviews, court opinions, and federal and state statutes.

Plunkett's - market research & trends, statistics, company profiles, names of associations within specific industries and occupations, and a glossary of industry-specific terms with their definitions.
